

REMARKS

General remarks

Claims 28 and 29 are all the claims pending in the application. It is respectfully submitted that these two new claims 28 and 29 are supported in the originally filed specifications and/or in the priority documents. It is respectfully submitted that the new claims patentability distinguish over the combined teachings of the applied references.

Conclusion and request for telephone interview

In view of the above, reconsideration and allowance of this application are now believed to be in order and such actions are hereby solicited. If any points remain in issue that the examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.

Applicant herewith petitions the Director of the USPTO to extend the time for reply to the above-identified Office Action for an appropriate length of time, if necessary. Any fee due under 37 CFR § 1.17(a) is being paid via a credit card payment directly to the USPTO with such credit card information and authorization attached to this, or sent immediately afterward.

Respectfully submitted
